# CERAMIC JOURNEY

Terralha 2022

## TERRALHA, A CERAMIC JOURNEY

The European Ceramic Festival is organised by the Cultural Office of Saint-Quentin-la-Poterie. It is a ceramic journey through the village. Nowadays, Terralha festival is a key ceramic event in France and abroad.

Around twenty ceramicists are invited to show their works in the heart of the village, in private sites corresponding to temporary exhibition spaces.

The identity of this ceramic tour is based on a perfect match of the artistic works and exhibit spaces.

The artists will be available in exhibition spots in order to meet the public and share their artistic philosophy.

Selection of art works will be organized considering the artists's applications (attached conditions). Professional committee will handle all the candidates.

The selection criteria rely on the technical quality but also the singularity of the art works. Mixed techniques are appreciated with ceramic prevalence.

## SAINT-QUENTIN-LA-POTERIE, CERAMIC CAPITAL

Labeled «Ville et Métiers d'Art», there are around 40 craftsmen in Saint-Quentin-la-Poterie among which 35 ceramists and potters. They welcome the public all year round in their workshops.

Saint-Quentin-la-Poterie offers numerous of ceramic activities : collection of the Museum of Mediterranean Pottery, the temporary exhibitions of the Terra Viva Gallery (contemporary ceramic), the artists's residency where ceramists all around the world come to develop news projects, and pottery classes with professional animations for kids and adults.
